Welcome to the hylafax-users list, and to the HylaFAX community. We hope you find this forum as helpful as we do!

This mailing list, as well as a host of other resources at www.hylafax.org, reflects our commitment to foster a strong, self-supporting community of HylaFAX users. As with any free resource though, it's only as helpful as the people who contribute to it. We encourage you to contribute to whatever level you are able, don't be shy!

If you have joined this list looking for an answer to a particularly difficult question, you might want to consider taking advantage of HylaFAX's commercial support and/or professional services. An expert team of long-standing members of the HylaFAX community would be happy to discuss how they can help you. Drop them an email at sales@hylafax.org to learn more.

Sincerely,

--
